

St. Luke's Lutheran School Wildcat Summer Camps 2017

Campers will be given the opportunity to grow in their faith, academics, abilities and passions, while developing key social skills and keeping their minds sharp over the summer break.

The Summer Camp staff aims to make learning fun and allow your child the creative freedom to discover their personal interests, which helps grow confidence and performance in the academic and extracurricular arenas. Our experienced camp staff consist of teachers, community leaders, and volunteers, who are eager to help your child excel in their abilities.

Camps are for children entering the grades listed.

Camp Descriptions

VBS

Grades K-6

June 5-9, 9:00-12:00

Join us for an action-packed week at St. Luke's Maker Fun Factory Vacation Bible School on June 5 to 9 from 9:00am to 12pm. Registration opens **April 23**. The cost is \$10 for incoming kindergarten through fourth grade and \$25 for incoming fifth and sixth graders for St. Luke's Travelers program. CDs with the music for VBS will be available for \$5. You'll notice this year's VBS is a little different from what you might be used to. Elementary kids will be split into mixed age groups as they discover how they are created by God and built for a purpose!

All Sports Camp

Grades 3-6

June 5-9, 12:00-4:00

This camp is structured to further develop the fundamentals of the traditional games of basketball, volleyball, soccer, tennis and flag football. We will also learn non-traditional games like netball, sabaki ball, and dodgebee. Players will practice the individual fundamentals needed for all of the sports. They will also practice how to use those fundamentals and apply them to game situations. All athletes receive a t-shirt.

Instructor: Coach Jennifer Cruz

Cost: \$125

Art of Wizarding

Grades 3-6

June 5-9, 12:00-4:00

You have been accepted to the most famous school in the wizarding world. Come get sorted and work with your friends towards earning the house cup. At our wizard camp we will make our own wands that we will use in a duel to practice exhilarating spells. We will learn about astronomy, magical creatures, and potions. We will make drinks and treats that only wizards eat. We will even be spotted outside playing a game of wizard soccer and conquering obstacles on our very own brooms. We are going to play games and make crafts that show our true knowledge of spells and of the famous wizards we have grown to love.

Instructor: Mrs. Katie Corrao

Cost: \$150

Beginning Sewing

Grades 3-8

June 5-9, 12:00-4:00

If you have ever wanted to learn some basic sewing techniques, this is the class for you. We will learn how to thread a needle and tie a knot. We will practice a variety of different stitches using the needle. Each student will have an opportunity to learn how a sewing machine works. Several projects will be completed during the week. All materials and a sewing kit will be supplied. Please bring a sewing machine.

Instructor: Mrs. Ruth Roberts

Cost: \$150

- Math is Fun** Grades 1-2 June 5-9, 12:00-4:00
 Children will explore mathematical concepts including Geometry, Addition, Subtraction, Time and Money through hands-on instruction, use of technology and games. At week's end, we will celebrate the number "Pi" with a "Pi"rate Treasure Hunt. Join us, me hearties, for a fun-filled mathematical adventure!
 Instructor: Mrs. Gretchen Knoblauch Cost: \$125
- Summer Science Spectacular** Grades 2-4 June 5-9, 12:00-4:00
 Experience the fun and excitement of some awesome experiments with ordinary ingredients (and maybe learn a little science in the process!). Learn how and why an airplane flies, perform some cool "magic" tricks, create some amazing take home projects, and end the week with an unforgettable surprise!
 Instructor: Mrs. Kate Matson Cost: \$130
- Young Aviators** Grades 5-8 June 5-9, 12:00-4:00
 Want to learn the secrets of how things fly? Come join a former airline captain to learn about and design fun flying things.
